

OneBanc Assignment

Problem Statement

Create a replica of OneBanc Home Page .

Here's the link for your reference <https://onebanc.ai>

#Points to Consider

- Use the resources such as images from the website.
- Create a wow effect!
- Use native technologies to build the application i.e., **no use of third-party libraries e.g., bootstrap etc.**
- Website needs to be responsive.
- You are free to use your own creative side .
